# MASTERCLASS

## CHAMPAGNE & CHOCOLATE

## Interactive

**We all love champagne and chocolate.**

But how do you distinguish a cava from a champagne? Is chocolate good for you? Will a small silver spoon keep the bubbles longer? Can we combine champagne and chocolate? What is rosé champagne? Where do cocoa beans come from?

These are all questions that we ask ourselves regularly and that we will try to answer while having fun in an interactive way by doing experiments, a blind test and of course by tasting. After this session you will be able to read a label, to know why a particular champagne or chocolate does not suit you, You will know more about yourself, your customers, your colleagues or your friends. A demonstration of sabering will close the session.

### Characteristics

- Interactive
- 3 to 5 different champagnes
- 3 to 5 different chocolates
- 1 or 2 hours options
- Fun experience
- Given by a sommelier or chocolatier

### Good to know

This can also be done in combination or only with champagne, chocolate, wine, beer, diamonds, or fresh juices.

# TEAMBUILDING

## WINEMAKING CHALLENGE

# Teamwork

### You will create your own wine.

In order to do this you will have various single grape varieties, measuring tools, glycerin (sugar) and wood. As a winemaker you will also have to create your own label in order to have a very attractive bottle, create your marketing plan, budget etc. As your time is limited, it will be essential to work in a team and to distribute the tasks well.

Furthermore, each team will present their work and try to sell their wine to the other teams. They will give points according to various criteria such as presentation, visual appearance, target group, price, etc.

Finally, the teams will taste all the drinks blind which will determine the winning team.

## Characteristics

- Creativity and teamwork
- We provide all material
- timing: 2h30
- Fun experience
- Animated by a sommelier

## Good to know

If some participants don't drink wine, they nevertheless will have fun as there are different tasks to do.

# TEAMBUILDING

## THE BATTLE OF THE CHOCOLATIERS

### Yummy

Based on the concept of the TV show "The Best Pastry Chef".

Participants will create the best chocolates in small teams of 6 to 8 people..

For this they will be dressed in the outfit of a perfect chocolate maker, taking hygienic measures into account. Each team will have their own equipment and its tempering machine. They will have to master the tempering, molding, coating, and decoration. It will be necessary to share the tasks, coordinate the work well, be creative and... try not to eat everything before the end. Each team will present their work and creations: pralines, beggars, tablets, sculpture ... Who will win the battle for the best chocolatier?

Each creation can of course be taken home to be tasted and shared with colleagues and friends.

### Characteristics

- Creativity and teamwork
- We come with all material except a fridge
- timing: 3h00
- Fun experience
- Animated by a chocolatier

### Good to know

You can eat the chocolates and bring your creations back home or at the office.

# TEAMBUILDING

## MIXOLOGY CHALLENGE

## Creative

**Take on the role of Tom Cruise in the movie "Cocktail".**

In different groups we will create our own cocktail or mocktail. To do this, we have various alcoholic and non-alcoholic drinks as well as fresh fruit, mint and other spices. We also use measuring instruments, shaker, ice, different types of glasses, etc. As a real bartender, we will make a poster to promote our latest creation. All this, of course, has to be done in a limited time. Then each team will make a presentation to sell their original cocktail or mocktail to the other teams. Points are then given on the presentation, the visual aspect, the originality, the budget, etc. Who will make the most original, tasteful and beautiful cocktail?

### Characteristics

- Creativity and teamwork
- We provide all material including glasses
- timing: 2h30
- Fun experience
- Animated by a sommelier

### Good to know

There will be a large variety of fresh fruit and juices for those who wish to make non-alcoholic cocktails.

# TEAMBUILDING

## GRAFFITI URBAN ART EXPERIENCE

## Artistic

**Have you always liked to paint everywhere,**

to express yourself, to learn more about this form of street expression? This is the opportunity to come and experience your talents. After putting on your protection suit, protecting all of your belongings, putting on your mask and gloves, etc... a professional will explain its origin, history and codes. But soon you are going to practice all together in a large space and learn the basic techniques of using the spray can. Once you have mastered everything, you will create your own artwork on a large canvas in groups of 3-4 people. Who will make the most beautiful painting on a chosen theme? To find out, we will end with a real auction.

### Characteristics

- Creativity and teamwork
- Perfect protection
- Timing: 3h00
- Fun experience
- Animated by a grapher

### Good to know

You can bring your paintings back home or at the office.

# Sporty

**Let's relive the Scottish traditions where the clans of the big families meet.**

The Highland Games are held every August in Dunoon, Scotland. These originated in 1856 and aim to celebrate Scottish culture and the cultural and sporting heritage of the Highlands. You will be greeted by the sound of drums and bagpipes. Each member of the clan will proudly wear their family's colored tartan on their kilt and hat. Tug of war between men and women in kilts, throwing tree trunks or cannonballs, racing in bags ..., the many tests follow each other during a sporty, fun and exciting competition. The different games can be adjusted as desired.

### Characteristics

- Sporty and teamwork
- Outdoor activity
- Everybody is dressed with a kilt and hat.
- Timing: 2h30
- great and fun experience

### Good to know

We can adapt the games to the physical condition of your group. More or less sporty.

# TEAMBUILDING

## CITY DISCOVERY RALLY

## Discovery

**You will be hosted by Captain Haddock and his loyal friend Tintin.**

The participants go in a race against the clock to find the treasures of the city. In small groups they discover the city on an original, fun and interactive way. With the help of a roadbook, this rally requires different skills: sense of observation, research, fun activities, questions related to history, architectural heritage, nature, folklore and its legends. You will have to work in team, share and look for information, taste local products and ask the help of locals. In the meantime you will have to be very meticulous to find all the clues. You also will have to take pictures of your team. But finally, which team will be the first to find the treasures?

### Characteristics

- Creativity and teamwork
- Sense of observation and details
- Timing: 2h00
- Fun experience
- Participants have to take pictures

### Good to know

Pictures will be taken and projected at the prize giving.

# TEAMBUILDING

## THE SECRETS OF THE RACETRACK

### Observation

**You are launched into a race against the clock,**

to discover the famous secrets of the racetrack. In small groups you will explore the site in an original, fun and interactive way. You will discover the history of the site and the exceptional beauty of the forest.

Using a roadbook, this rally calls on the skills of various and complementary teams: sense of observation, deduction, research, questions and activities relating to history, to its architectural heritage, to nature, to its folklore and its legends. Which team will discover the famous racetrack secrets?

### Characteristics

- Creativity and teamwork
- Sense of observation and details
- Timing: 2h30
- Fun experience
- Participants have to take pictures

### Good to know

You will have to walk into the forest.

# Spying

### Ever dreamed of being James Bond?

As James Bond you will have to go in a race against the clock to find the bad guys and protect the nation. In small groups you will have to move from place to place. "Q" will certainly be there to give you the best gadgets and your best vehicle. You will discover the city on an original, fun and interactive way.

Using a roadbook, this rally calls on the skills of various and complementary teams: sense of observation, deduction, research, questions and activities relating to history, to its architectural heritage, to nature, to its folklore and its legends. Which team will be first to find out all the clues?

## Characteristics

- Creativity and teamwork
- Sense of observation and details
- Timing: 2h30
- Fun experience
- Participants have to take pictures

## Good to know

Luxury options are possible.

# TEAMBUILDING

## CLUEDO - MURDER PARTY

## Analysing

**In the spirit of the game Cluedo, you will live an experience worthy of Hercule Poirot allowing you to resolve a criminal investigation.**

Who killed Mr X?

Each team will receive a game book containing all the information from the survey. Through a succession of puzzles to solve, you will have to look for clues in the different rooms.

Likewise, a multitude of trials will have to be overcome to advance like a photo challenge, a test for reflection, and many others ... The first team to find the identity of the perpetrator, the place and its weapon will win the ultimate title of best investigator.

Team cohesion will be in great demand to solve the main question together: who is the killer?

### Characteristics

- Analysing and teamwork
- Sense of observation and details
- Timing: 2h00
- Creativity
- Fun

### Good to know

If planned in advance, some team members can play the role of the suspects.

# TEAMBUILDING

## TOP CHEF WITH THERMOMIX

# Cooking

### Ever cooked with a Thermomix?

Based on the concept of "Top Chef" you will have to make the best dishes with the given ingredients in a limited amount of time. But everything will need to be done with a Thermomix.

Whether you are new to cooking, or an accomplished cook, with a Thermomix, cooking is becoming very easy. But it will be up to you to be creative.

The Thermomix offers precise control over speed, temperatures and cooking times.

When finished, you will have to present your creation to the jury and we're all eating together at the end.

### Characteristics

- Creativity and teamwork
- Use of only 1 pan
- Timing: 4h00 including eating
- Fun experience
- Eating together

### Good to know

Various options are possible for the meal.

## Fine dining

### Cooking and dining with a famous chef

You will cook with the well known chef, Christophe Vanderkelen from l'Atelier Gourmand.

Toghether you will work with fresh products available in the store. The chef will show and help you to make an amazing meal.

L'Atelier Gourmand is an artisan-caterer located in Uccle (Brussels). Chef Christophe Vanderkelen and his entire team offers you their range of dishes and salads made daily with fresh and carefully selected products from small producers.

You will make the starter, main course and desert. When finished you will eat your creations together .

### Characteristics

- Work in team with the help of the Chef
- Timing: 4h00
- Fun experience
- Dining together

### Good to know

Maximum 12 persons. Happens only at l'Atelier Gourmand in Uccle (Brussels)

# TEAMBUILDING

## RAP BATTLE

### Music

#### Rappers delight

Based on "The Voice" and "Rap Battles" this fun and creative teambuilding will ask you to work in a team on a relevant text, which will aim to clash with another team. The objective would be to be inventive and original (not to defame a person or group in particular).

Not all the greatest rappers started out in a studio, making hits straight away. When we think of great names like Eminem or Snoop Dogg, they started with "rap battles". The objective is to prepare a text and "clash" the opponent using multi-syllabic rhymes, metaphors, scenic acts, prose or humor.

This teambuilding will be based on positive vibes and the other teams will be the jury.

#### Characteristics

- Creativity, improvisation and teamwork
- Sense of rhythm and puns
- Timing: 2h00
- Fun experience

#### Good to know

4 to 8 teams

# TEAMBUILDING

## DISCOVERY DAY IN GHENT OR BRUGES

### Full day

**Walking rally in the morning, lunch on a boat and discovering the city in the afternoon.**

The participants will discover in small groups the city in an original, fun and interactive way.

With the help of a roadbook, this rally requires different skills: sense of observation, research, fun activities, questions related to history, architectural heritage, nature, folklore and its legends. You will have to work in team, share and look for information,

At the end of the rally you will arrive on a boat. You will be welcomed with a glass of bubbles. Lunch will be served on board while you navigate on the canal or on the Leie and discover the city and area with an expert guide. Relax and have fun!

### Characteristics

- Creativity and teamwork
- Sense of observation and details
- Timing: full day
- Fun experience
- Participants have to take pictures

### Good to know

Luxury options are possible.

# TEAMBUILDING

## CULINARY TREASURE HUNT

### 5 senses

**Eating and drinking while discovering the city.**

The participants will find the culinary treasures of the city. They will discover the city in an original, fun and interactive way.

With the help of a roadbook, this rally requires different skills: sense of observation, taste, research and answer some questions.

You will have to work in team, share and look for information, taste local products and ask the help of locals. You also will have to take pictures of your team.

An alternative tour could be discovering the city while having a starter in one place, a main course in the other and dessert in a local store.

### Characteristics

- Creativity and teamwork
- Sense of observation and details
- Timing: 2h30
- Fun experience
- Participants have to take pictures

### Good to know

Various options are possible for the meal.
